**Cheers!** It seems some of us thought the April special at Toscana's the rabbit pot pie was an April Fool's joke. Surprise, it's not a joke and it's darn good! If you've never tried rabbit before, we think you'll find it tastes, well, like chicken! The Europeans, especially the French, eat a lot of rabbit and, at one point, rabbit was rather popular here in the U.S., competing with chicken as a major source of protein on our menus. Learn more about our April special ([click here](#)). Try it, you'll like it!

Remember to get your tickets for Easter Brunch ([see menu here](#)) and the annual Patio Party on April 27 ([see details here](#)).
