

# PC Golf Blast

*News for the PebbleCreek Golf Community*

## **Golf Blast Extra - March 14, 2020**

**After careful consideration, in an effort to stop or slow the spread of Covid-19 (coronavirus), we are announcing the following protocols. The decisions have not been made lightly and we appreciate your cooperation during this challenging situation. This is a fluid situation and further changes may happen.**

### **Golf Operations**

The Golf Shops will remain open for their current normal hours (Eagle's Nest; M – F, 8 a.m. – 2 p.m. and Tuscany Falls; Daily, 6:30 a.m. – 5 p.m.). Please note - the only access to enter the Eagle's Nest Golf shop is through the east patio entrance. There will be no clubhouse access. To reach the golf shop by phone: Eagle's Nest, 623-935-6761 Tuscany Falls, 623-935-6757.

### **Course Check In**

The golf shops will be open for normal check-in. We will also have a check-in table out in front of the golf shop for those that have a golf package.

### **Spring Golf Expo**

The Spring Golf Expo has been postponed. Further details will be announced as soon as they are available.

### **The First Tee Golf Equipment Drive March 18**

The First Tee Golf Equipment Drive has been postponed. Further details will be announced as soon as they are available.

### **Club Events**

All Club events will be postponed until further notice. Regularly scheduled play days will be postponed.

### **Golf Carts**

We have had several questions regarding PebbleCreek allowing more than two carts per group. We will temporarily allow your group to take more than two carts per group if you feel it is necessary. All regular golf cart rules will still be in effect.

### **Shotgun starts**

In an effort to reduce large gatherings of people, we will no longer have shotgun starts after Monday, March 16. We will schedule tee times on both courses every day, until further notice .

### **Coronavirus**

PebbleCreek Golf Operations is taking steps to address coronavirus. We are regularly cleaning and sanitizing our work stations. The golf carts will be washed and sanitized every time after they are used.

### **What you can do to protect yourself and others**

The CDC recommends a number of steps you can take to help prevent the spread of respiratory diseases, including:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Follow CDC's recommendations for using a facemask.
- CDC does not recommend that people who are well wear a facemask to protect themselves from respiratory diseases, including COVID-19.
- Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.
- To keep from spreading respiratory illness to others, you should stay home when you are sick.

You can find this information at: <https://www.cdc.gov/coronavirus/2019-ncov/about/prevention-treatment.html>

Please check the [CDC website](#) for updates as events progress.

---

**Please help us take care of our beautiful golf courses by filling divots and fixing ball marks on the greens. Please do not drive your golf carts in the desert areas. Please do not trespass into homeowner backyards. The golf course staff appreciates your help!**

Best regards,  
John McCahan
