

Activities Office updates: Future ticket sales temporarily suspended; Trips information

Thursday, April 16, 2020

Because we simply don't know what to expect regarding large gatherings over the coming weeks, we have temporarily suspended all new show ticket sales that were scheduled beginning April 16 and later. As plans solidify, and it becomes more clear how and when large gatherings will return, we will adjust on-sale dates as needed.

Below is a list of the concerts with on-sale dates happening in the next few weeks that are being temporarily suspended for ticket sales; new on-sale dates will be announced:

- July 10 - Rhinestone Country (originally scheduled to go on sale April 16)
- July 17 - Concert: Oh Canada (originally scheduled to go on sale April 21)
- Aug. 21 - Concert: The Studio 54 Disco Explosion (originally scheduled to go on sale May 5)
