

Golf News: Golf Play for clubs to resume May 26

Tuesday, May 19, 2020

Golf Play for clubs to resume May 26

The PCLGA 18-hole and 9-hole groups will resume play May 26 on Tuscany Falls East. Both organizations will start play with tee times and continue with tee times for the time being. The PCLGA will start on the front nine and the PCL9GA will start on the back nine. Check-in will remain as is until further notice.

Homeowner tee times on the East course will start at 9:50 a.m. The West course will be available for homeowners starting at 6:30 a.m.

You will still be able to take your own golf cart. We will not change how we set up the golf course. No rakes, ball washers or water jugs. We do have the sand for divots in the ball room at the driving range, and on the west side of the west parking lot, without scoops. The [new May calendar](#) has been posted on the HOA website, under the Golf tab.

Restaurants

The restaurant and patio will be open with limited access and seating. You must have a reservation for the restaurant. The patio will have limited seating and table service only. You may not go to the window. You may not move the tables and chairs. You may not hang around the patio if there is no place to sit. We will still be practicing social distancing within the new guidelines.

Please help us take care of our beautiful golf courses by filling divots and fixing ball marks on the greens. Please do not drive your golf carts in the desert areas. Please do not trespass into homeowner backyards. The golf course staff appreciates your help!
