

HOA Community Informational Meeting: COVID-19 Update and Vaccine Information – Jan. 15

Friday, January 8, 2021

Please plan to join us via Zoom next Friday, Jan. 15, at 11 a.m. for a very important informational meeting that will offer a COVID-19 update, information about vaccines, and present an opportunity for you to ask questions. The HOA has arranged for Dr. Eric Katz, CMO (Chief Medical Officer) and Courtney Ophaug, CEO (Chief Executive Officer) of Banner Estrella Medical Center to provide this excellent opportunity and present this important information to members of our community.

The presenters will address:

- The most up-to-date COVID-19 safety information
- Offer an update on COVID-19 numbers in our region
- Provide the latest news on the vaccines and how to be sure you get the vaccine
- Field your questions on these topics

To participate in this meeting, please [use this Zoom link](#) at 11 a.m. on Friday, Jan. 15.

If you are not familiar with Zoom, the platform being used to host this meeting, Zoom has a brief tutorial you may find helpful about how to participate in Zoom meetings: [Click here for a tutorial from Zoom: How to join a Zoom Meeting](#)

It is suggested you test this on whatever device you plan to use to view this meeting prior to Jan. 15 to be sure you will be able to view the session. It will be necessary for you to have a computer, laptop, tablet, or smart phone to view the meeting.

Please note that in order to accommodate the most questions possible within the limited

timeframe, questions will be accepted via the type-in chat function. You will not need to enable your cameras or microphones to ask a question, you will just need to type it in.
