

Strand-sponsored shredding event was canceled due to COVID-19, but it will return

Tuesday, April 14, 2020

The Activities Office recently got word from homeowner Donna Strand that she'd been receiving inquiries about whether or not the shredding event she had announced, and then had to cancel due to Coronavirus, would be rescheduled. And the good news is, Yes!

Strand, who, along with her daughter Carrie, had planned a shredding event for April 18 sponsored by their real estate business, notified the community in mid-March that it needed to be canceled, and then again reminded the community last week. Since then, she, and some HOA staff, have received numerous inquiries as to whether she is planning to sponsor another event. "We greatly appreciate all the inquiries regarding our Annual Shred-It Event," shared Strand. "We had to cancel it due to the COVID19. As soon as we receive notice that we can reschedule this event, we will notify residents by the various eGroups, VIVA and other notifications from the HOA. Please stay safe and healthy and look forward to seeing you in the very near future!"
