

Summer hours announced for Eagle's Nest Restaurant and Toscana's

Wednesday, June 9, 2021

Beginning June 13, 2021, and continuing through September 4, 2021, our restaurant hours will change for the summer. Typically, summer hours are shortened because it is a slower season with fewer residents here. This year, the reduced hours are also being driven by lack of staff in the Facilities/Food & Beverage operation. Staffing for these front line positions is a challenge throughout the industry, not just here in PebbleCreek. Pandemic-related supplemental unemployment, as well as the long closures driving people to other industries, have made attracting staff back to these positions tremendously difficult. Careful consideration went into this plan, balancing customer service and fiscal responsibility. We are doing what we can to ensure that balance, and work within what is possible with the current staff.
