

PC Golf Blast

News for the PebbleCreek Golf Community

Golf Blast - March 17, 2020

After careful consideration, in an effort to stop or slow the spread of Covid-19 (coronavirus), we are announcing the following protocols. The decisions have not been made lightly and we appreciate your cooperation during this challenging situation. This is a fluid situation and further changes may happen.

Golf Operations

The Golf Shops will remain open for their current normal hours:

- Eagle's Nest M - F, 8 a.m. - 2 p.m.
- Tuscany Falls Daily, 6:30 a.m. - 5 p.m.

Please note that access to enter the Eagle's Nest Golf shop is through the east patio entrance only.

There will be no clubhouse access. To reach the golf shop by phone:

- Eagle's Nest 623-935-6761
- Tuscany Falls 623-935-6757

Tee Times

In an effort to reduce large gatherings of people, we will no longer have shotgun starts. We will have tee times available at both Tuscany Falls courses starting at 7 a.m. You may still use the Chelsea Tee Time Reservation System to make your tee times and requests. You may still link your groups together but that will make it more difficult to get your tee times.

Course Check-in

The golf shops will be open for normal check-in. We will also have a check-in table out in front of the golf shop for those that have a golf package. We ask that you do not "hang out" in the golf shop.

Club Events

All Club events will be postponed until at least May 18. Regularly scheduled play days will be postponed. All shotguns and outings have been canceled.

Golf Carts

We have had several questions regarding PebbleCreek allowing more than two carts per group. We will temporarily allow your group to take more than two carts per group if you feel it is necessary. All regular golf cart rules will still be in effect. Please remember that the more carts we have out on the course the more damage will be done to our golf course. Please keep your carts on the cart path as much as possible.

Changes to the Course Set-up

We will no longer have the flagsticks on the practice green. The ball washers will remain on the course and will be sanitized every morning. We will no longer have water jugs on the course. The flagstick and bunker rakes will be touched by the many golfers, try to pick up those items with your golf glove on. Please bring your own beverages and a wet towel to keep your equipment clean. The indoor restrooms at Toscana's will remain open for the golfers' use but please don't go in the restaurant.

Food and Beverage Service

The "window" on the back patio at both clubhouses and Ed's Dogs will be open with limited hours. If you choose to use the patio areas, do not pull tables together.

Coronavirus

PebbleCreek Golf Operations is taking steps to address coronavirus. We are regularly cleaning and sanitizing our work stations. The golf carts will be washed and sanitized every time after they are used.

What You Can do to Protect Yourself and Others

The CDC recommends a number of steps you can take to help prevent the spread of respiratory diseases, including:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Follow CDC's recommendations for using a facemask.
 - CDC does not recommend that people who are well wear a facemask to protect themselves from respiratory diseases, including COVID-19.
 - Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
 - If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

You can find this information at: <https://www.cdc.gov/coronavirus/2019-ncov/about/prevention-treatment.html>

Please check the [CDC website](#) for updates as events progress.

Please help us take care of our beautiful golf courses by filling divots and fixing ball marks on the greens. Please do not drive your golf carts in the desert areas. Please do not trespass into homeowner backyards. The golf course staff appreciates your help!

Best regards,
John McCahan
