Mother's Day Specials

Shrimp & Grits — \$23

This dish is rooted in my mother's recipe—the way she brought comfort to the table. Seared shrimp over creamy, stone-ground grits, finished with a rich, savory sauce that's meant to feel warm, familiar, and quietly elevated.

Clover Rolls — \$8

House-baked clover rolls, soft and buttery—something she always believed should be on the table to bring people together.

The intention here is to give guests more than just a dish—it's a moment that feels personal, something they can connect to, especially on a day like Mother's Day.

This dish comes from my mother's kitchen: shrimp and grits the way she made it—simple, honest, and meant to bring people together. For Mother's Day, we're honoring that tradition, keeping the soul of the recipe while refining it for our table. Paired with warm clover rolls, it's a small reflection of what this day is about—comfort, care, and sharing a meal with the people who matter most.
